

SASKATCHEWAN NURSE PRACTITIONERS TRAINED IN PESSARY FITTING AND MAINTANENCE

(This list is not definitive and is subject to change.)

Select health care professionals such as gynecologists, nurse practitioners, physicians and physical therapists may have training in pessary fitting and management.

The nurse practitioners listed below offer pessary fitting and management at no cost. You can also contact local primary health care centers to see if they provide this service.

Please note *the cost of a pessary is the patient's responsibility.* . Please check with any private health insurance to see if they cover this item. NIHB patients have full coverage
